COMM 4982: Research Practicum in Communication Working Hours Recording Form

Students should use the table below to record the hours they worked on research-related tasks this semester, along with the signature of the faculty member or graduate student who supervised the work. This form must be completed, signed, and submitted to the coordinator at the end of the semester.

ate	Identify Project & Nature of Task (e.g. ran lab session for video game study)	Hours Worked	Supervisor Signature
